- No more than 25% of investments with a single deposit-taking institution
- No more than 40% of investments in securities with maturity exceeding one year
- No more than 20% of investments in securities of a single issuer with maturity exceeding 31 days

FUND MANAGEMENT

The Fund is managed by a team of investment specialists led by Nadi Bargouti, Head of Asset Management, Emirates Investment Bank. The Fund management is under the overall supervision of the Fund Investment Committee comprising highly qualified and experienced investment managers with over 60 years of collective investment management experience.

Important Notice: The information contained herein is confidential; it is intended solely for the use of the person or persons to whom it is given or sent and may not be reproduced, copied or given, in whole or in part, to any other person.

This is neither an invitation to subscribe nor a solicitation to buy or sell any security or instrument or to participate in any particular trading strategy; it is intended for information only. Nothing contained herein constitutes investment, legal, tax or other professional or commercial advice and should not be solely relied on in making an investment or other decision.

The information presented is subject to change. The price of shares, securities and debt instruments, including Fund Units, may go up as well as down; this will depend on fluctuations in the financial markets which are outside the manager's control. As a result of price fluctuations, an investor may not be able to redeem the amount subscribed. Past performance is not indicative of future performance, and historic data may be subject to restatement from time to time.

There can be no assurance that the Fund will achieve its investment objective and losses may be incurred.
